ChecMed App Guide
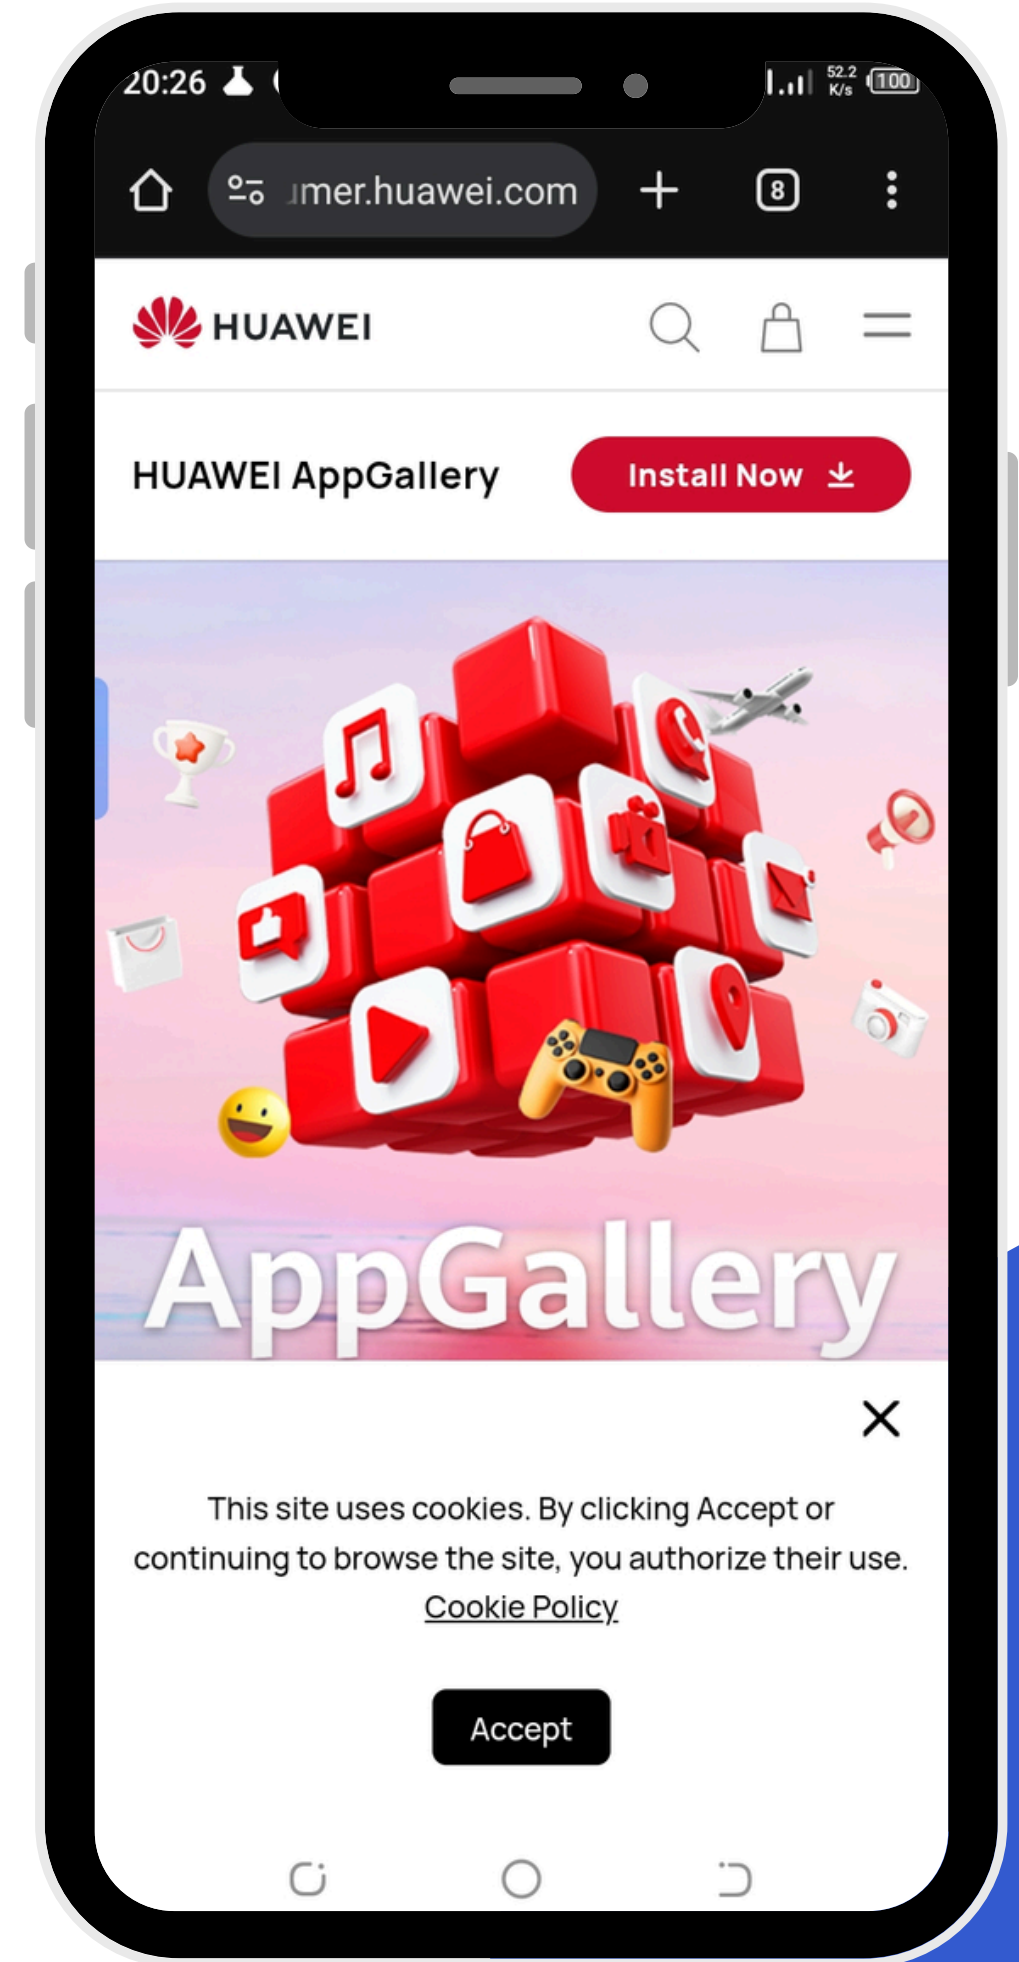

DOWNLOADING FROM APP GALLERY

Scan the QR code or tap the link, then choose Install.

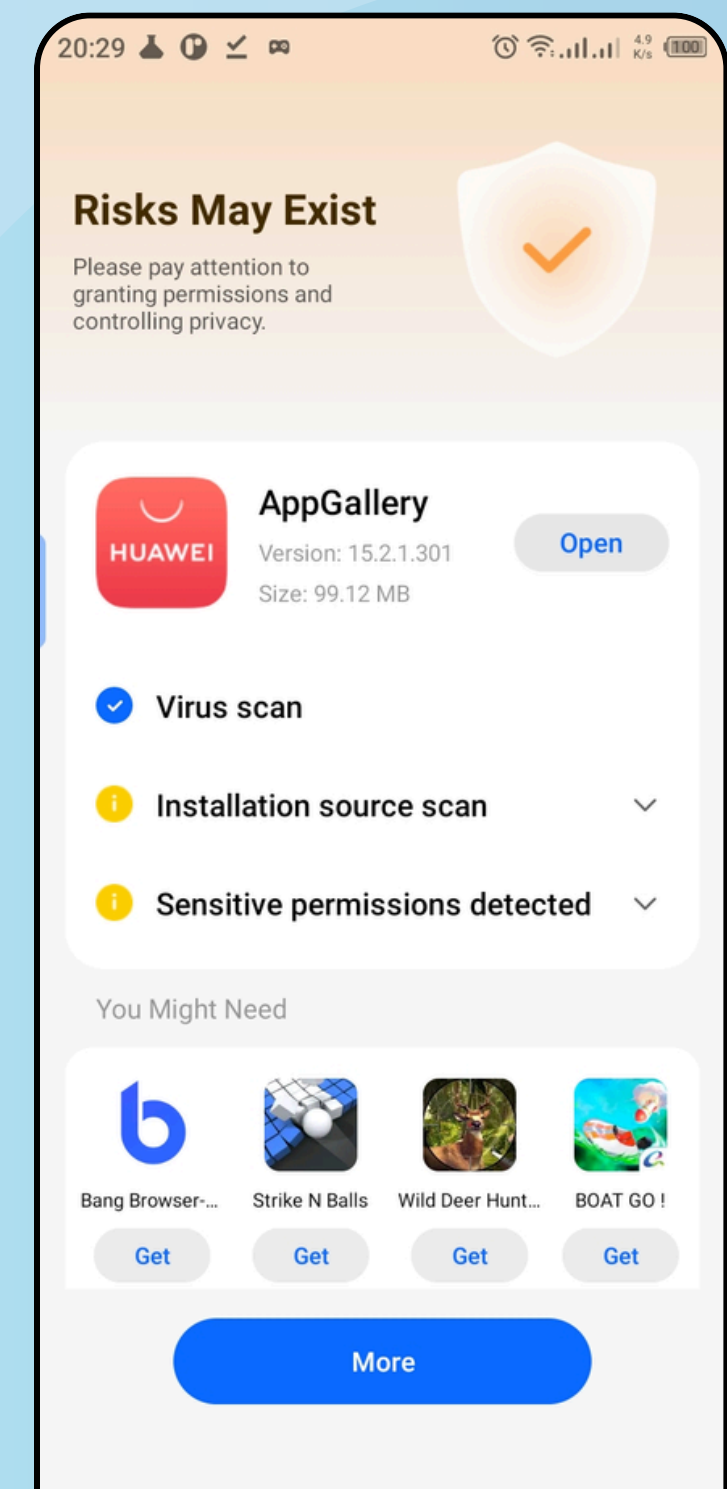

https://consumer.huawei.com/za/mobileservices/appgallery/

Tap Install to download the AppGallery APK.

**When the download completes, open your Downloads and tap the file to install.**

If Android warns that the file may be harmful, choose OK/Download anyway—then tap Install.

Launch AppGallery and accept the Terms & Conditions.

Enable 'Allow from this source' when prompted—this lets Android install AppGallery apps.

In AppGallery, search ChecMed, then tap Install on the Patient or Doctor app.
